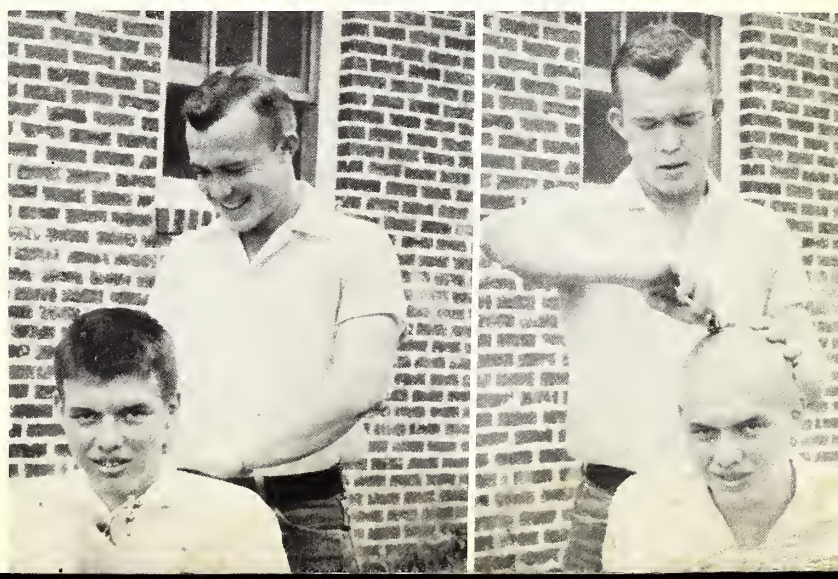
IN THE FALL WE ARRIVED

REGISTRATION BEGAN OUR YEAR

THOSE LINES WE HARDLY SURVIVED

WE WONDERED WHY WE WERE HERE

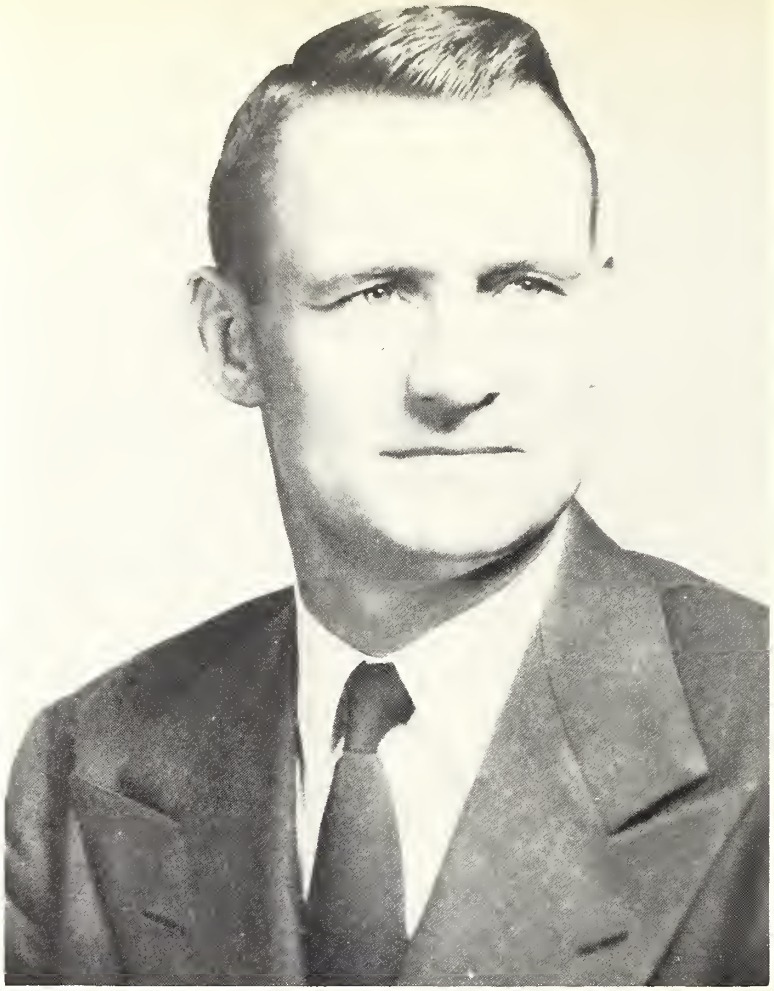


Fall

Dedication

Occasionally in the course of life we meet a person whose influence is far reaching and whose character remains a living inspiration. Such a one is the woman whom we honor here. For twenty three years she has been librarian at East Central, going her way quietly, inconspicuously, and with a calm dignity that speaks of a true and gracious lady. A love of books, a sincere interest in those who seek knowledge, and an unwavering devotion to E. C. J. C. have been her life. Because of her unselfish spirit and years of devoted service, we, the staff, humbly and gratefully dedicate to Miss Ethel Burton this, the 1956 Wo-He-Lo.

Faculty and Classes



This, the twenty-eighth year of service of East Central to the community and state, seems at present one of the most noteworthy years in the institution's history. And, although the current enrollment is one of the largest, the most outstanding aspects of this year in the history of East Central Junior College may be revealed in other ways. It is my personal opinion that we shall never have a student body or faculty to excel those featured on these pages. The activities of the Wo-He-Lo and Tom-Tom staffs, the athletic teams, and other clubs, and such events as the Homecoming celebration have contributed much to this important year. The Alumni Association's adoption of a more active program in support of East Central promises to make both the students and the alumni a more significant factor in the life of the school.

This year of 1955-56, as always, we will place foremost the friendships formed here.

Industrial

The Vocational Industrial Department of East Central Junior College provides excellent facilities and activities in Vocational and industrial education for the people of the surrounding district. The primary objective of this department is the training of skilled workers for industry. The facilities provided are equivalent in quality to those provided in the best industrial plants.

This department offers courses in automobile mechanics, body and fender repair, masonry, carpentry and electricity. The duration of the courses is from eighteen to twenty-four months. Upon completion of these courses students are receiving jobs in industry and are having outstanding success in their employment.

Scooba Falls Before E. C.

Warriors Avenge Previous Loss

Defeat can be bitter—but revenge is sweet, so says the proverb, and so said the Warriors after taking a doubleheader at the expense of Scooba's Lions here at the E. C. gym, January 21.

The 'B' team took a 54-41 victory over their opposition, and the varsity followed suit with a brilliant last quarter splurge that gave them a 67-65 victory over the arch-rival Lion varsity. Both games were played before a relatively small, but enthusiastic Saturday night gathering.

The Warrior 'B' team dominated the Lion's 'B' throughout their contest and never once fell behind. Lowery Robinson topped the locals with 17 points. Larry Savell and Raymond McMullan countered with 12 points each. The Warrior defense was so tight that no opposing player could tap the nets for over 11 points.

The Warrior Varsity rallied unbelievably in the last quarter to eke out a thrilling 67-65 victory. After falling behind 10 points at the end of the third stanza, the Warriors displayed a brilliant brand of come-from-behind spirit.

E. C. WINS DOUBLE VICTORY

E. C. J. C. topped a fighting band of Itawamba Indians in a pair of cage games held at the Warrior gym on Saturday night, January 28.

Both Warrior victories were the result of last quarter spurts that put both the varsity and "B" teams in the chips.

The Warrior "B" team sent the Itawambans home with a 61-55 loss dangling over their scalp-less domes. This game was a thriller all the way, being tied 39 all at the end of the third quarter.

Itawamba led 12-11 at the end of the first stanza, but the Warriors knotted the score at the half 26-26. Both teams made 13 points in the third period; and then the Warriors exploded for a 22 point fourth period, while holding Itawamba to a mere 16.

Lowery Robinson for the second straight night led the "B" team in point production. Lowery registered 14 valuable points on the scorecard, Larry Savell and Bob Griffin were tied for runner-up honors. Each contributed a dozen scores to the Warrior cause.

E. C. Opens Season 68-66 Win Over Pearl River In Lions Tourney

The Warriors opened the 55-56 basketball season with a third place showing in the Annual Lions Bowl Tournament in Laurel on Dec. 1 and 2.

The Warriors were defeated by East Mississippi of Scooba by the margin of four points, 68-64. The Warriors defeated Pearl River 68-66 in their second game, played on Friday night.

E. C. SPLITS DOUBLE HEADER WITH HINDS

The E. C. Warriors split a cage double-header with the Hinds Eagles here at Decatur on Dec. 13th. The E. C. "B" team won a thriller 49-47, but the varsity lost to an extremely tall Hinds varsity in a high scoring affair 91-80.

In the "B" game, Hinds led for all but the last 5 minutes. The Warriors went ahead 41-40 on Boyd's field goal. Merritt on a hook shot put Hinds ahead 42-41; then Savell tipped in Todd's outside shot to send E. C. ahead. Clark hit on a one-hander from the corner giving the Warriors a three-point lead. Lancaster was fouled and made a free throw, narrowing the score to 47-45. Todd hit on a two-hander from just outside the free-throw line, putting E. C. ahead 49-45. Hinds scored another field goal but for all practical purposes it didn't even count.

RANGERS HAND WARRIORS DEFEAT

The ever-powerful Northeast J. C. Rangers returned to Booneville with a double victory over the Warriors, at the home gym Friday night, January 27.

The "B" team lost a heartbreaker 66-65 in a very close, hard-fought struggle. With 3 seconds left in the game, Lowery Robinson, leading Warrior scorer, dumped in a one hander to give the Warriors a 65-64 lead. Walden of Northeast heaved a long pass down the court to Berryman who dropped the lay-up through the rim as the buzzer ended the game.

E. C. led the end of the first quarter 18-17, and at the half 31-30. Booneville came back with a 19-point-third-quarter outburst to lead 49-45.

Lowery Robinson led the "B" scorers with 22 points, and Clinton Smith made 18 for second place. Berryman made 24 points, which includes the fatal-final second field goal.

The Warriors stayed close to the Ranger "A" squad throughout the first three quarters, but fell to defeat as the Booneville "5" made 23 points in the final quarter to sew-up the game.

Lowery Robinson, who played only in the third and fourth quarters, led the "A" team with 16 points. Four other Warriors hit for double figures. Turner and Lowery followed Robinson with 14 points each. W. Robinson made

E. C. J. C. Downed By Hinds Team

The Warriors journeyed to Raymond Tuesday night, January 24 and absorbed a 97-84 defeat at the hands of the Eagles. The Warrior "B" team, however, racked up a 64-54 victory over the "B" Eagles.

"Buck" Smith was again the thorn in the Warriors' side. Smith canned 2 points in his team's victory. Smith's 29 points led Hinds in a previous meeting with the Warriors earlier this season. Sandifer made 18 points for 2nd place honors.

For E. C., Karl Noel led the attack with 15 counters; Lowrey and Turner were runners-up with 14 points each. Willis Todd made 11 valuable scores, and was followed by W. Robinson who donated 9 points.

Clinton Smith led the "B" team victory with 17 points; Danny Clark chipped in with 12 points and Larry Savell followed with 11.

FROM THE EDITOR'S DESK

I would like to express my appreciation and gratitude to the people who have so unselfishly given their time, work, and advice in creating this book.

To the following I would like to give special thanks:

- Mr. Haywood for his able advice in management and finance.
- Mrs. W. W. Newsome, who has been an inspiring influence.
- George Day Studios for their fine co-operation and excellent pictures.
- Earl Bolton, Staff Photographer, for his outstanding work.
- And to the annual staff may I say, "Well Done."

If we have made errors, I assure you they were made unintentionally.

The Tom-Tom

VOLUME II—NO. 5 EAST CENTRAL JUNIOR COLLEGE, Decatur, Miss., NOVEMBER 16, 1955

Joni Sue Hunter, Managing Editor; Harrell Pace, Editor in Chief; Camelia Harvey, Associate Editor; and Billy Sharp, Associate Editor; concentrate diligently in planning the paper in their effort to make each issue of the Tom-Tom an original and interesting production.

PRODUCTION OF TOM-TOM STAGED THROUGHOUT ITS WORK

The publication of the Tom-Tom was begun in November, 1945 under the leadership of Miss Una Harris, who is still the advisor for the publication which has developed from a four-page monthly paper to a bi-weekly eight-page edition.

Much work and effort, as well as several brain storms, go into each issue. On this page and the ones that follow is pictured the behind-the-scenes activity (both physical and mental) that goes into each stage of a single issue. The first stage of production is the evolution of ideas in the planning of the paper by the Executive Staff as they think up news scoops, produce original ideas for features and dream up un-heard of poses for the photographer to record in endless feet of film.

At a full staff meeting, the reporters get a thorough understanding of the best sources for their news articles while the columnists and features writers are injected with the proper mixture of ideas for causing the brain bubbles to begin to boil.

The reporter has approximately three days to interview individuals who will give him information to go into his article. The athletic reporter chases Coach Blount over the campus and stops him just long enough to get the details of coming sports events. The society reporter gathers the biggest gossips among the girls around her in Jackson Hall to get the latest on who has gone where and done what in the college social circles. Another society reporter has as her special assignment the collection of social items on the faculty members--at least those which are released for publication to the students. Important news scoops for practically every issue are found in the policies, plans and activities of the administration. These the News Editor assumes the responsibility of preparing for publication.

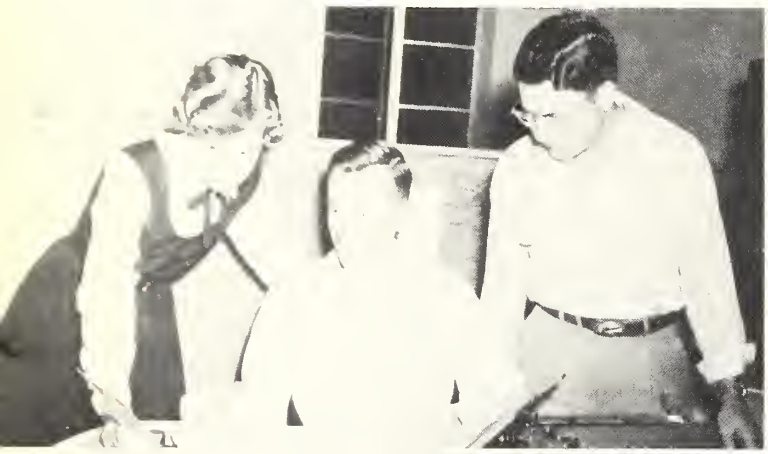
Feature Writers find themselves taking advantage of every spare moment to think of something clever to go into a feature which will get many laughs and an occassional oh! or ah! from the readers. An exciting event in Tom-Tom annuals is the last-minute race of the reporters to the Tom-Tom office to get their completed assignments into their individual cubby-holes by the deadline date so that they can be copyread and typed.

Editor Pace is issuing the individual assignments which will bring in the informative and exciting articles to be perused by eager students in the forth-coming issue of the Tom-Tom.

Alert Reporters Gather News

(1) All the girls in Jackson Hall are eager to give Grace Holman, Tom-Tom Reporter, the latest news in the social world. (2) Nancy Gordan, News Editor, is being given an article by President Vincent, as a means of keeping the administration in touch with the students. (3) Sportswriter Clyde Williams is getting a "scoop" on the sports news from Coach Blount. (4) Patsy Mowdy, Lexie Rives, and Sue Russell, reporters, are giving their articles a last-minute check before turning them in. (5) Nan Barrier, reporter, is collecting interesting and enlightning news items on the faculty from Mrs. Cross. (6) Columnist for the Tom-Tom, Ira Jerrolds and Rudolph Hollingsworth, seem to be thinking hard about the exact words to use to effectively express the ideas by which they expect to influence public opinion on the campus and elsewhere. (7) Janice Hogue and Elizabeth Majors, feature writers, combine brilliant ideas and glamorous pictures to enliven the pages of each issue of the Tom-Tom.

And The Work Goes On



Then the pounding on the typewriters start as the hard-laboring struggles to make legible copy written under unimaginable conditions and always at a high rate of speed to get in one moment ahead of the deadline that arrives all to soon for hard-pressed students.

"The worries of an editor never end" think the executive staff as they exercise their vocabulary to make headlines in the correct size to suit the article and strive to create lucid captions that will explain those varying and original poses achieved by the photographers.

There is the financial side of the publication which can not be overlooked. The advertising staff work together to think of clever ways to induce businessmen to give the Tom-Tom the privilege of helping them increase their business and incidently reduce the amount of red found on the Tom-Tom ledgers at the end of every year.

(1) Bennie Ellis, Business Manager, shows his assistants Gay Davidson and Charles Mims the art of selling advertisements. (2) The bound-to-be famous artists and cartoonists, Dwayne Warwick and Norman McKay, are busily drawing the sketches for the next issue. (3) The Tom-Tom Staff is fortunate in having a group of experts to the typing for the paper. The typists are: Mark Hardy, Jeanette Madison, Billie Hollingsworth, Junie Livingston and Anita Barham. (4) Jimmy Nowell, Photographer, is one of the busiest humans on the campus. (5) With the articles in and the photographs taken, the editorial staff goes into action again headlining the news, giving intriguing titles to the columns and features, and improvising captions for the innumerable pictures.

Finally It's Off To Press

(16) By benefit of bright ideas and also some headaches the executive staff finally completes the task of making up the dummy for the Tom-Tom. (17) This is a glamorous view of the Circulation staff gloating over the finished production and preparing the Tom-Toms to be sent to other colleges and individuals throughout the south. Those who do this phase of the work are: Sue Livingston, Anne Baker, Theressa Madden and Warren Crane.

The Tom-Tom Is Mailed To Many Places

Something is always in every issue to add to the glamor of the make-up and to catch and hold the wandering eye of the reader. Much of this is the responsibility of the photographer. He does all the work in taking the pictures and processing them, and he works late many nights in the photo laboratory to have the pictures developed to meet the press deadline.

When the copy has been sent to press, there are a few days of rest for the greater number of staff members as no one has any further responsibility for that particular issue except the executive staff and the circulation staff.

When the copy comes back from press and is ready to be cut and made into the dummy, the executive staff again exercise originality, and incidentally their patience, in placing the articles as they are to be in the finished publication. After this work is done, the executive staff can send the paper to press and relax, leaving the rest of the work to the circulation staff who distribute the papers on the campus and mail them to more than one-hundred individuals and schools.

When this final stage is completed, with the paper in the hands of the readers, each member of the staff can feel proud of a job well done if the issue is good--, but if it isn't, well-- it isn't hard to imagine a staffer's feeling under that circumstance and the reader who doesn't "rub it in" is appreciated.

Alma Mater

Dear Alma Mater, we sing thy praise,
In sweet remembrance of our college days,
Comrades and teachers, friends so true,
We give our love to you--
Long may we cherish the days spent
with thee
Happy days of dreams, work
and play so carefree--
Deep in our hearts rest your memories true.
Here's all our love to you.
